“Take Command” with Ferrara™ at the 2021 FDIC

HOLDEN, LA – August 4, 2021 – Ferrara Fire Apparatus, Inc., a subsidiary of REV Group® and leading manufacturer of custom-built, heavy-duty fire apparatus, announces it will exhibit its products at FDIC International (Fire Department Instructors Conference) in Indianapolis, Indiana from August 5 – 7, 2021.

“We are very excited to display several of our heavy-duty fire trucks at this year’s FDIC show,” said Jason Louque, Director of Sales, Ferrara Fire. “It will be a great opportunity for our team to talk with attendees and show all the latest innovation and customized designs Ferrara has to offer.”

Ferrara will display an extensive range of products including:

- 100' Rear Mount Platform
- Cinder® Custom Pumper
- Custom Heavy-Duty Rescue (Walk Around)
- Tractor Drawn Aerial (TDA)
- FC-94™ Custom Pumper
- Custom Rescue Pumper
- Custom Walk-In Rescue

In addition, REV Fire Group will have a special *World of Innovation and Protection* exhibit, featuring ECO IDLE-TEC™, Smart Flo™, SmartReach™ Multi-Stance™ and the Active Air Purification System.

About REV Group, Inc.

REV Group[®] companies are leading designers and manufacturers of specialty vehicles and related aftermarket parts and services. Our companies serve a diversified customer base, primarily in the United States, through three segments: Fire & Emergency, Commercial, and Recreation. They provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers) and consumer leisure (recreational vehicles). REV's diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG.
